Updates

Batley Nash have joined the social networking scene. You can now find and join us on facebook. 'batleynash', all friends accepted. Keep up to date with current entertainment and special events etc.. We've over 294 friends already!

Batley IDLC took part in this years Batley Live 2010. Although we didn't perform anything ourselves, we did send in someone far more professional on our behalf. Irish Dance Duo 'Celtic Beat'. Their 15 minute performance drew in the crowds and warmed them up before the talent show commenced. The girls received a fantastic applause from the crowd. Thanks again girls for representing our Club. You did us proud!

Saturday 11th September is our next Nash Trip Out. We're off visiting The Brian Boru Irish Club in Ashton-in-Makerfield. £6 per person. Non-refundable. Please sign and pay at the Bar if you're interested. Leaving at 6pm approx, returning midnight approx! Thanks

Meet Luke Pickford...

Our new weekend door supervisor. Remember its Luke's job to challenge people who look under age, so don't be offended. Also to ask whether each of you are members or guests. Please don't be snubbed, especially those who have been coming into the Club for years! Luke doesn't know that. I'm sure he'll soon learn who's who. For those who have already clocked the family name. Yes, Luke is related and the brother of Joe Pickford, our relief steward.

Bar Staff Wanted

The Club is seeking to take on extra bar staff, to use as and when required, by both parties. Interested? Please pick up an application form behind the Bar. Thank you.

Roy Tennant & Co.

As many of you will probably know, Roy Tennant, Clubs friend and Accountant sadly passed in June. His sudden death was a shock to everyone who knew him, he'll be sadly missed. Roy served the Club for many years as its Accountant. Those of whom attended the AGM's would have no doubt have met him, or asked him a question from the balance sheet. One of Roy's agreements took place between friends. It was decided that, if anything happened to either one of them, the other would help and take on the clients. In our case this transition has been passed to another family firm called 'Brosnans'. Like Roy, they're extremely professional and will work hard for the Club. Due to the extra clients they've inherited our half year accounts maybe slightly later than normal. I think under the outlining circumstances this is acceptable.

This also brings up a question, why do we have and produce two sets of accounts for the year? We're probably the only Club or organisation that still do. A matter that will be raised at our next half yearly meeting. Thank you, latest information will be posted on boards as it develops.

St Mary's

A huge thanks to everyone who helped in raising funds for St Mary's of the Angels Church, Batley. Fr Wiley was delighted with the turn out (what he remembers!) and the money raised. Which was in excess of £760. Thanks again for your kind generosity, it really is appreciated.

Coming Again...

Faith and Light

AN INTERNATIONAL CHRISTIAN ASSOCIATION WITH INTELLECTUALLY DISABLED PEOPLE THEIR PARENTS AND FRIENDS.

Monday 30th August. Nash's Got Talent is back again! Application Forms are available from the Bar. So get them filled in people.

The Charity we're supporting this year is Batley & Dewsbury's Faith & Light. Local charities are sometimes overlooked and receive hardly anything for the work they do. Last year we helped raise over £1700. It happened to be their biggest fund raising donation EVER. Lets see if we can beat it this year.

Help, Support, Donations and Prizes are all welcome. Please see the Charity Girls; Monica, Jean, Sheila and Margaret. If you don't know them, always ask at the bar. Thanks again.
