

Winner -
Tetley Jacket

Our New Year's Promotional Beer Run has now ended. Well at least for a short time. We're pleased that the people who took part were all Members. Or certainly the winners were! Congratulations to; Matthew Snith - Stella Jacket. Peter Hemingway (pictured) Tetley Jacket. Nice picture Peter! David Wilson - John Smith's Jacket and Billy Aveyard for the Coors Jacket. I think all winners were pleased with their prize. I know Peter loves his. They'll be more promotional offers to come in conjunction with our all our suppliers, co-ordinated through HB Clark's. Thanks again for taking part.

Kind note from our Cleaning Team.

"Please don't tear our beer mats". If you need some writing paper, kindly ask the Bar Staff. They'll be more than happy to accommodate you. If you still can't help yourself, tear up a different one!

Thank you.

Persistent offenders will need to see Sharon, Niki, Helen and Diana! You've been warned!!

£1.75

A unique Offer to a unique Club
£1.75 a pint, surely it's worth a try!

News In Brief:

Keeping you posted on all club matters.

Taps

New 'working' taps are to be fitted in washroom area's. The old style push button system didn't hold up to constant wear and tear.

Cellar Cooling

As part of Health and Safety, the cooling units that are currently housed on the foyer roof have to come to an accessible height. They're new home will be just above the Cellar Drop Doors.

No more wobbles

The Committee have commissioned the repair of all wobbly chairs in the Concert Room. Any that don't meet our strict requirement will be repaired and strengthened. Giving them a few more years of use.

Squeaky Clean

We like to think we have an outstandingly clean Club. If you don't think so, please politely inform the Bar. What we don't know we can't fix. Thank you.

Best Wishes

£712. Raised with the collection for Julie Corrigan. A big thank you to the Wellington, West End and Nash Members & Guests! Wishing her all the best. xx

Solar Panels are still performing and generating a revenue for the Club. Just keep the sun shining.

All New Beer from the Dales..

All Creatures is the new beer from that famous brewery Black Sheep. We've been one of the few specially chosen to trial the new hand pulled ale.

As part of our continued relationship with the Brewery we've also been able to retail this at a fantastic price of £1.75 a pint.

Its like Christmas all over again.

Are you ready for St Patrick's Day?

Without doubt one of the best and liveliest days of the year. Not to mention our increased sales of Guinness. Surprisingly we all seem to enjoy the black stuff on St Patrick's Day. Which is why our stock levels are increased to accommodate us all. We'd luck pretty silly running out!

We've also decided on a change of bands this year. Instead opting for 3 different entertainment throughout the day. First to perform Showells - 4 Piece Traditional Irish Band. Followed by Tony Gordan - Superb Irish Solo Artiste. Finishing the evening are The Shmig - Fantastic 5 Piece Irish Rock Band. We hope that you once again enjoy your day and the time you spend with us.

Remember, its one of our busiest days of the year. If you want to sit as a group, please get down early. Thanks and enjoy.

Opening Times

We aim to move with the times and the economic trend. Obviously it can't be made up from day to day, staying open if were busy one day and closing early if we're quiet the next. But we feel discussion is needed for our business hours in general. To start, we open 6 out 7 days at 11.00 in the morning. We'd be lucky if we sold 3-4 pints before 1.00pm. We recognise that people are coming out later and want to stay later, especially on an afternoon. All we're asking at this stage is for your opinion. Your views are important in helping us decide. Thank you.

The Gambia

Recently returned from their second trip to The Gambia. Touched by the people they met, Stuart & Tracey now want to help and do what they can in making their lives easier. A planned new medical centre is where they'll soon be focusing their energies. Stuart will be organising a tribute band night in support of their new found African friends. They'll be delighted in having your support too. More info as the night is planned. Thanks. They'll be happy to answer any questions or for more information, just ask next time you're at the Bar.

Who will win this year?

Fierce Competition again, in our annual Easter Bonnet Parade. Kate's managed to hang in there for a few years, can she do it again this year? New entrées welcome! All in the aid of Cystic Fibrosis. This year we'll be having a Charity Auction (something little different to past year's). So bring your Credit or Debit Cards. Some excellent stuff to bid on from Flat Screen TV, Childs Scooter, Electric Racing Car, Watches, Toys, Rugby Shirts, Signed Boxing Glove, Signed Snooker Shirts, Baby Scooter plus many many more.
Bank Holiday Easter Monday 1st April. You'll be a fool if you're not there!
Thanks again for your continued support. Enjoy.

Tom Hopkins returns back to sunny Batley after a six week stint down-under. Although nice to catch up with the family, he was secretly excited to be getting back to The Nash. That Fosters is just not the same as a nice pint of Carling! For all our overseas members and guests, you're always welcome back if you're ever passing.

The Committee are clamping down on those that tamper with Club property. Too much interference is causing problems and costing money and will no longer be tolerated. Either to repair or put right. The simple solution is to ASK. Your co-operation will be much appreciated. Thank you

By pure demand, they're back. Friday 4th October 2013. For those who missed out before, you've another chance to see them again. Or, for those who just simply like them. Their last performance was a sell out and a superb night. Tickets will be same price, just £5 and will be available early September. Telephone reservations are welcome. All ticket reserves must be paid for prior to band's performance. We look forward to seeing you again then! Cheers.

Same reason these too are back. Demand! There an excellent Madness Tribute Band, that will satisfy those who loved them first time around. Tickets £5 and will be available a month before the event date. Thanks

Staff News:

Recently hosted Charity Events have given the Club the thumbs up. Spen Valley Boys lead co-ordinator Bernie Preece, was overwhelmed with the service received from the Bar. Supporters attending the function were also complimentary towards our 'fantastic club'.

Smoothly ran Club. Thanks to Emma and Oliver. Supported by colleagues George, Jean and Joe. During Stuart and Tracey's annual leave. Same staff will also be covering our Steward's next holiday. Please continue to give them your support and co-operation.

Matthew Collins returns back to us after a few months of hard labour! No, not prison. Some casual laboring work for a little extra cash.

Congratulations to Stuart, who successfully completed an Advanced Level Course in Stock Control and Accountability.
