

Not something we should be including in our Club News really. But its increasing and as a result have received many complaints.

Please try keeping your language down. We don't accept it and we won't put up with it.

Be considerate to others, not everyone wants to hear you swear.

Thank you.

New York New York

Three of our icon members will not be celebrating St Patrick's Day with us this year. Instead they've opted to cross the atlantic and celebrate in New York.

No doubt they'll be some stories and photo's to share on their return. Have a fantastic time and please don't show us up!

All the best,

Pictures from Stuart and Tracey's recent visit to The Gambia. The charity concert on Friday 21 March which is helping funds for some of these children. The project they involved in helps fund a newly built medical centre and provides lower and upper basic education for the kids. Not to mention free health care to all the children who attend the school.

Potential Change of Channels

The Committee have been asked to look into the possibility of taking on the new BT Sports Channel, which now shows much more premier games than PremierSports does. In looking at what each Channel can bring to the Club it looks like BTSports at the moment. In order for this new channel to be included on our viewing, we'd have to cancel PremierSports. As you can appreciate we can't have everything. The cost to us as a commercial business is much more than you'd pay at home. Which is why we'd have to choose the right one our Members would get the most from. Your comments and suggestions would be welcomed.

New Snooker Makeover

Our two snooker tables have both received a makeover. They've been stripped down and received new cloth and cushions. Please look after them. We kindly ask that the last game of each evening the tables are covered. New covers have been ordered and should be around (if not they'll soon be delivered). Please note that the Match Table, is for

Members Only. The Second Table, must be accompanied by a Member in order to play.

Chance to win Rugby League Tickets

With every pint of Carlsberg, Tetley or Somersby. Simply collect your stamp with every pint. Hand in your completed cards to go through to the draw. Cards will be drawn and you could be going to one of these games...

All games are against Leeds Rhino's; Hull FC – Fri 23 May.

Wigan Warriors – Friday 2 May. Salford Red Devils – Monday 21 April.

Wakefield Wildcats – Friday 11 April

Staff News:

Emma Makes Emergency Exit

A favourite character on the bar staff team. Emma soon leaves us to take up her new post as a Nurse at Dewsbury Hospital. I'm sure she'll be missed by many, especially by us here at The Nash. Good luck Emma, you'll be Matron in no time!

Amsterdam Visit

Three of our best bar staff are enjoying a weekend break in the cultural city of Amsterdam. (Lewis, George and Jonathan). I'm sure they'll be happy to share their bar staff experience to the Dutch. After they've taken in the cultural sites of the city.

Happy Birthday

Our long serving member of staff, Sharon celebrates her birthday on Monday 3rd March. From all of us we'd like to wish her Happy Birthday.
