### Member Reporting / Complaints Policy.

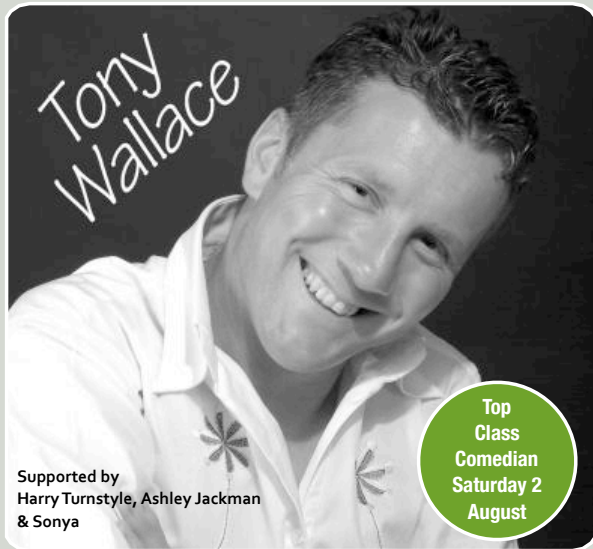

The Committee wish to hear any complaints or suggestions in a fair and just manner. We therefore in future kindly request that any such direction be done so in writing addressed to The Committee. We feel that by acting officially in reporting your feedback, we too can act and deal with your request more efficiently and fairer.

The aim is to try and take away second hand information being passed to Officials or via other Members in matters concerning the Club. If you'd prefer to see the Committee in person, this would also be acceptable.

## NASH SUPPORT'S ARMED FORCES DAY

Since its rebrand in 2009, we've been supporting and commemorating the service of our men and women in the British Armed Forces. Previously known as Veterans' Day.

## NASH FESTIVAL SUMMER 2015

The Club is planning a Festival next July. We're looking and inviting local bands to come and play for us. If you're willing then please get in touch. We've already had some interest, thank you.

We'll also try and incorporate a selection of fine real local ales to go with the days events.

This will be a first for us and as such need to make it a huge success. We'd like your support in helping us achieve that when the time comes.

As more things develop and are confirmed we'll pass this information on through our usual channels. Newsletter, Facebook, Website and Twitter.

Any help suggestions and comments would be warmly welcome. Thanks again.

Wednesday 24th September

Tickets are now on sale for Phil Fryer performing the legendary one and only Frank Sinatra. Tickets are available from the Bar only £5.

### Congratulations

Well done George. Receiving his 2:1 Degree in Sports Journalism. He'll now be qualified to take up the Sports Editorial Section of our award winning Nash Newsletter! Special congratulations to Emma Firth, who'll be shortly attending her own graduation ceremony. Still early in her nursing career she's already making changes

### Sixties 60th for Jean

Another normal day for her

### More Work Still Needed

Batley IDLC finally receives the Official recognition from Cask Marque. Thanks again to our Steward, Stuart Wardlaw for passing two brutally strict inspections. In helping him maintain excellent quality we've enlisted a few helpers. Jean, George and Tracey will each undertake a course based at Black Sheep Brewery followed by an industry certified exam. Wish them luck! Real Ale has seen a steady growth from our Bar, with sales going strong we're committed to maintaining its position. Silver King has been a really popular choice, but we're always looking for the next one. Any suggestions or ideas on what might sell well, just let us know. As usual happy to listen.

## LADIES DAY

Thanks again for another fantastic day!

service with a smile

### Superb Day.

More images are available online, either from our Facebook page or [www.thenash.co.uk](http://www.thenash.co.uk) online gallery. Apologies for those who didn't manage to get tickets. Ladies Day has become very successful and ticket numbers are limited. We just don't have the room or the capacity to accommodate everyone, for that we're sorry. But the Ladies are looking into increasing the number of tickets slightly. Thanks again.
