Newsletter

July 2017

Wishing George all the very best!

Sadly he's already served his last shift here with us. Officially finishing on Sunday 18th June.

But we still wanted to give him a mention and the prestige of being hosted on the front cover of our Newsletter!

George has been a fantastic asset to the Club over the years and will be truly missed. We've become to depend on him more than we realised, how will we cope without him?

He leaves us to take on a more challenging career with Hermes. From everyone here at Batley IDLC - The Committee, Staff & Members we wish him all the very best for the future.

I know our Members and regulars are already missing him.

cheers!

Defib Training

Mick, Roger, Shaun, Jean, Jemma, Danielle, Sharon & George all undertook training on how to use our newly purchased Defibrillator. Everyone successfully completed the detailed two hour course.

For reference, the Defibrillator Unit is located in the Office behind the Chairman's Box on the right hand side wall.

Updates from The Secretary

Already half way through the year. How time quickly passes us all by! It comes that time again to be audited and have our half yearly figures published. I've already set the date for the half yearly meeting, which will be held on Wednesday 13th September, 8.00pm.

The Committee recently approved an action plan and project spending which includes the following; (in no particular order).

1. New double glazing windows in Games Room. Every effort will be made to maintain the original design where possible.
2. New carpet and redecorating of the Lounge.
3. Refurbishment of the Gents Toilets (Games/Concert Room).
4. New energy grade ceiling tiles throughout the Club.
5. New sink and cupboard replacement behind the Bar.

If any of Members have any particular interest in these areas of work, wish to quote for any jobs currently in planning please don't hesitate to contact us for more information.

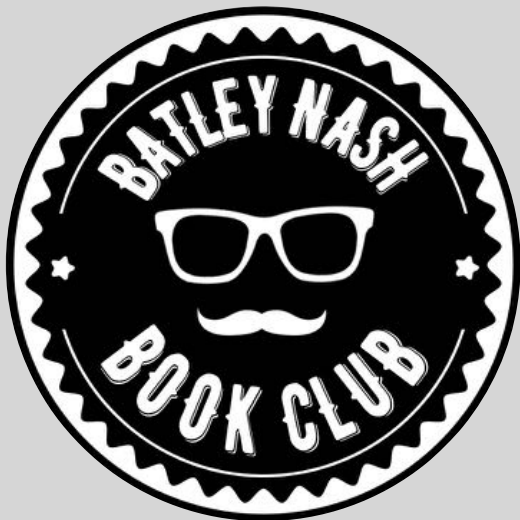

I'm hoping to announce our notice with the intention to change our Club's Constitution at our half yearly meeting. The document has been through many draughts and has been sampled by several members. The document is slightly more comprehensive than its 2002 version and does not in any way change or distract our Foundation Rules and Objectives.

Obviously the process cannot be changed overnight or from any one meeting. So 13/09/17 will be its formal introduction.

As always, we're interested to hear your opinions, comments and feedback. Please share them with us -

Please Come Along
More than welcome

First meeting will be held on Thursday 27th July @ 7:30pm which we'll then decide on our first book.

Thank you

Two charities we recently collected for. Armed Forces Day which we've supported from the start. Collected £188.00 on the day.

Candlelighters which we supported throughout Ladies Day, raising £340.00.

Both charities receiving funds through their online 'donate' websites.

Again a big thank you to everyone who supported in anyway. We know from previous requests you're all amazing. Thank you.

HELLO!

GOODBYE!

BAR PERSON OF THE MONTH

Our bar person of the month is kindly sponsored by HB Clark.

CHARLIE HEATON

Charlie will receive a free case of his choosing. Wonder what flavour pop he'll choose?

He's barely been here a month himself but is already proving a popular and likable young man. Keep up the hard work Charlie!

Thank You

As mentioned previously we we're in the process of reviewing our product range. We've decided upon the following...

You can see from branded logos to the left and below what's coming in and what's going out.

Strongbow Dark Fruits will be on draught, rest of the new range will be in bottles.

We bid farewell to Samuel Smiths to make way for new lines.

We've reunited Sponsorship with Batley Bulldogs and hoping for some good future seasons together.

Members will have the chance to win tickets to every home game. We thought the fairest way would be to put your name down behind the bar, similar to the beer draw.

Each winner will receive two tickets to the Game. Keep a look out for Notice informing you when it starts.
