Updates from The Secretary

Greetings to all

A milestone year for the Club. 140th anniversary, surely something we all should be proud of! We therefore invite you to join us on Saturday 9th July for the start of the celebration. Our very own Birthday Party.

They'll be live entertainment on throughout the day, starting late afternoon. Prizes, raffles and auctions. Some complimentary hot food served between 5-7 ish. Not forgetting £1.40 a pint offer, available on Carling & Tetley to our Members. So please tell your friends pass it onto other Members too. 140 years, needs to be celebrated.

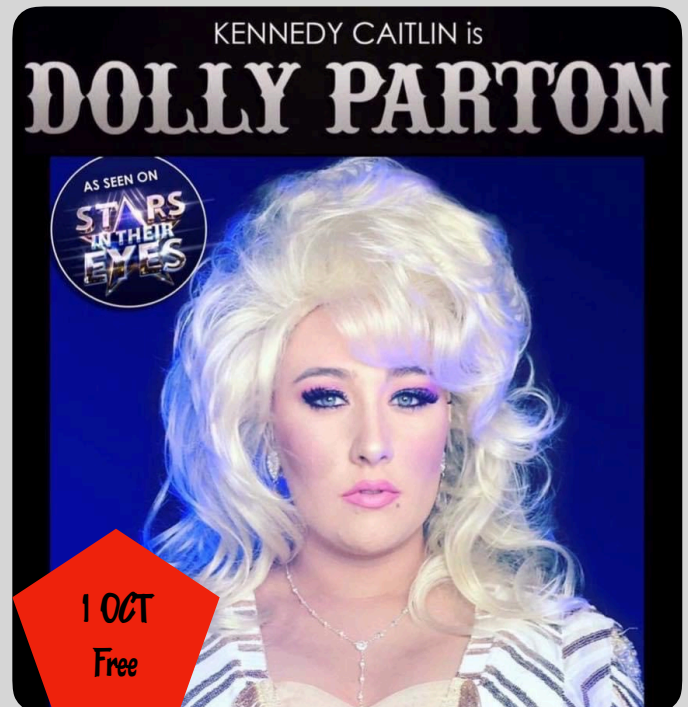

As part of the festivities, the Committee marked it by having an official picture. Something the Club would have done naturally

back in the day, evident on the walls in Concert Room. Please do not use as a Dartboard!

If possible, paying Contactless is still the best and preferred method. Either via Debit or your Nash Membership Card. The Bank has increased the value they charge us for paying in Cash. Making it more expensive in bank charges. Banks have always disliked money. Ridiculous really, but true. Best & Fastest way is to top up your Membership card, then use that to obtain your discount and pay at the same time. Staff will be happy to issue receipt if you want to keep track. As always, choice is yours.

Kind Regards

BAR PERSON OF THE MONTH

Well done!

CHARLOTTE NEWTON

Our bar person of the month is kindly sponsored by HB Clark.

Charlotte fairly new to the team has excelled herself and deserves a little treat!

Thanks to HB Clark she'll receive a case of her choosing. Pick wisely Charlotte.

NO CARD NO DISCOUNT

In the nicest sense, if you don't have your Membership Card then please do not ask for discount. As refusal may offend! If you've lost it, then you need to report it to the bar. They'll check if you've not had a previous replacement. Your first card is free. Replacing your card for the second time will cost you. The Card belongs to you, you alone. Its not your partners, friends or anyone else's to use. Its yours! The staff have been asked to enforce this, so do not complain, moan or cause issue with them. Its more likely you are at fault for not having or using the card incorrectly! Thank you all in anticipation of your support.

Please also keep using your Card even if its slightly worn, bent or broken. The Staff will replace it when it no longer works! Thanks.

Quickest and best way is to Top-Up your Membership Card and use it to get your discount and to pay at same time.

Easy... Staff will be happy to help or explain if needed.
